STEELS & TRADING CO.,

ABOUT US

We are a versatile steel, construction material and trading company that prides itself on delivering high-quality products to meet the diverse needs of our customers. Our company is dedicated to providing top-tier materials for the construction and manufacturing industries, ensuring that our clients have access to the best products available in the market.

Our product portfolio encompasses a wide range of materials, including steel, cement, and other construction-related products. These materials are carefully sourced from reputable manufacturers and suppliers, guaranteeing that they meet stringent industry standards. We maintain a strong commitment to quality assurance and strict quality control processes to ensure that our customers receive products of the highest caliber.

Customer satisfaction is at the core of our business philosophy. We recognize that each project and client has unique requirements, and our team of experienced professionals is always ready to collaborate closely with our customers to tailor our products to their specific needs. Whether it's steel for structural purposes, concrete for building foundations, or other construction materials, we aim to provide a comprehensive solution to support our clients' success.

In summary, we are a versatile steel, construction material, and trading company that places a strong emphasis on quality, customer satisfaction, and professionalism in all aspects of our operations. We are dedicated to delivering high-quality products to assist our clients in their endeavors and projects.

OUR STORY

Our story begins with our founder, K. OM Prasad, a passionate entrepreneur with a vision to create a successful trading company in the construction industry. With a modest investment and a small warehouse in the heart of the city, K. OM Prasad, along with his dedicated team, embarked on a journey of perseverance and dedication. Challenges were faced, lessons were learned, but the determination to provide the best building construction products and services never wavered.
